NOTE:

Kindly note that it takes approximately 3 to 4 weeks to process the visa application on a case-to-case basis. The Mauritius High Commission only verifies and send the application to the Passport and Immigration Office in Mauritius for further processing and approval. Therefore, it is only the Passport and Immigration Office in Mauritius which has the right for the approval or refusal of a visa.

A visa is an official acknowledgment issued by the Immigration Office of Mauritius, indicating that your application to enter Mauritius has been reviewed by an Immigration officer and that the officer has determined you are eligible to enter or transit in Mauritius for a specific purpose.

A visa therefore, simply allows the bearer to travel to Mauritius up a port of entry and does not implicitly guarantee right of admission into Mauritius. The final decision to admit a non-citizen rests with the Immigration officer after examination at the point of entry in Mauritius. He/she decides how long the person can stay for any particular visit.

Visa Administrative Processing Fee

A visa application processing fee of AU\$ 12.00 is charged to applicants. A money order amounting to AU\$ 12.00 in favour of Mauritius High Commission must also be submitted.
