

HIGH COMMISSION OF THE REPUBLIC OF MAURITIUS
CANBERRA

INFORMATION NOTE ON RENEWAL OF MAURITIUS PASSPORT

The **Form 136A** is used where a person applies for the renewal of his/her passport which has expired or is completely filled with stamps. In case there is a change in the applicant's name or marital status, the applicant is required to submit relevant civil status in support of the application. Applicants should comply with **paragraph 4** of the application form PF 136A and submit such other documents as the Passport Officer may require.

Both sections 5 and 7 need to bear signatures. In case of **minors**, section 7 is signed by the two parents. Section 5 needs to bear a signature within the box using a **black** felt pen (not marker pen).

The Passport fees are as follows:

A money order **drawn in favour of the Mauritius High Commission** should accompany the application.

Type of Passport	Validity	Remarks	Passport Fees
Minor	5 years	Issued to children under the age of 16 years	AU\$ 36
Young Person	10 years	Persons who are of 16 years and above but under 18 years	AU\$ 46
Adult	10 years	Citizens of Mauritius of 18 years and above	AU\$ 46
Senior Citizen / Disabled Person	10 years	Citizens who are over 55 years	AU\$ 36

All relevant sections (on pages 1 and 2) need to be filled appropriately. Applicants may request for information from the High Commission in case of doubt.

For minors, applicants are also informed as follows:

- i. **Paragraph 6A – Consent of Parents or Guardian for application by Minors (under 18 years)** – The signatures of the parents should match those appearing on either their National Identity Cards or the Passports.
- ii. **Paragraph 6B – Certification of Consent** – The name of the Officer signing and Office Stamp must be legible. The certification of consent should be given in front of one of the following Official/Department: Mauritius High Commission, Police Station, Judiciary, Court of Law, Notary.

As far as possible, applicants must come in person to collect their passports. In case the applicants cannot come personally, they may either:

(i) Provide the High Commission with a self-addressed registered envelope or make arrangement with an appropriate courier service for the pick-up of the passport. The applicant must also provide a letter of undertaking stating that he/she will assume all responsibility for any loss of or damage to the passport(s) and that the Mauritius High Commission and the Government of Mauritius will not be liable for any loss of or damage to the new passport(s).

OR

(ii) Delegate somebody (or a reputed and reliable company), at their own cost, to collect their passport(s) on their behalf. In such a case, the applicant must send an authorization letter to the High Commission, providing details of the collector and indicating that the applicant will assume all responsibility for any loss of or damage to the passport and that the Mauritius High Commission and the Government of Mauritius will not be liable for any loss of or damage to the new passport.

It usually takes around **90 days (3 months)** for the issue of a new passport as from date of submission (depending on time of submission as dispatches are sent to the Passport & Immigration Office in Mauritius at the end of each calendar month).
